COMIC BOOKS & GRAPHIC NOVELS

# Hello from CARLSEN Publishers!

Daniela and I will be attending Frankfurt Book Fair and we already booked our stand in Angoulême, but of course we like to meet you online, too. Get in touch with us – we make everything possible.

We like to welcome another new agency! From now on Corto Agency will take care for publishers based in Albania, Bosnia, Bulgaria, Croatia, Serbia, Montenegro and Macedonia.

This Autumn's catalogue is all about STARMAN, Reinhard Kleist's new graphic novel. Curious? We'd be happy to provide you with a PDF.

We look forward to hearing from you!

# A new musical artist biography by Reinhard Kleist

- January'22: David Bowie's 75th birthday, and June' 22: 50th anniversary of the album "The Rise and Fall of Ziggy Stardust and the Spiders from Mars"
- Reinhard Kleist's biographies of musicians are popular: "Nick Cave" was sold into 16 languages and has been well received everywhere

1972 saw the birth of the rock 'n' roll messiah Ziggy Stardust, whose provocative flirtation with sexual identity and gender roles laid the cornerstone for David Bowie's rise to "the most influential pop musician of all time" (New Musical Express).

Reinhard Kleist skillfully interweaves the genesis of this over-the-top alter ego with David Bowie's luckless endeavors in the pre-Stardust London music scene and his struggles with his own creation at the height of fame. Ever more rapidly, Bowie transforms himself into the egocentric rock star whose wildly extravagant lifestyle threatens to destroy him.

Since 1996 Reinhard Kleist has been living in Berlin where he shares his studio with other comic book artists. His comic books have won several awards, including the most prestigious one for German comic publications, the "Max und Moritz".
